Who This Golf Tournament Benefits

Evangel Seminary's International School of Practical Ministry

From it's beginnings as a local Seminary over 40 years ago, Evangel has been transformed into an international ministry, providing solid Biblical training to the next generation of pastors and leaders in developing nations.

To date, we have had the great privilege of training over 1,800 men and women from 7 nations in Africa.

It is estimated that these graduates have started over 2,000 churches, reached over 100,000 people with the life giving message of Christ and created over 4,000 programs to serve the basic needs in their communities.

**This training is offered at no charge to the students.
Funding is raised here in the U.S.**

Sierra Leone - School of Practical Ministry 2026

This year's plans include holding 10 Schools in 3 developing nations. For more information, please contact us.
